Wha-what is this?!!
Please lady, can't you please give me a refund?
My apologies m'am. Unless there is a problem with the quality we cannot issue a refund.
Yan landlady!
Faints
Get a hold of yourself!

Get out!! Leave!!

Yan landlady please calm down.

Are you really telling me to calm down?!

Do you know how many months worth of living expenses that was? You living-in-the-laps-of-luxury monk!

Yan landlady that's not the right words...
I took care of you! And you spent all my savings!

I've let you down, this humble monk did not intend to waste all your money,
it's just that before I used to have 10 pairs of these robes.

10 pairs!? You extravagent monk!!
If I may, I'm willing to make it up to you.

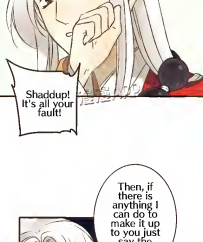
What do you mean make it up you're broke...
Money I want money, compensate my money

May Buddha be praised, this humble monk shall recite 1000 times an incantation to ease your mind.

o o o o o o o o o o

You're trying to piss me off right?! You're doing this on purpose?! Black-hearted monk!

Resorting to such violence, money truly is the root of all evil...



Shaddup! It's all your fault!

Then, if there is anything I can do to make it up to you just say the word.

In that case there is something you can do,
Come over here!
Fwip!
!
Fwap!

What are you doing?
You really don't know what I'm going to do, monk?
No idea.
Fine then I'll tell you, you owe me money so,
Grabs
repay me with your body!
